FAST FACTS:

Water Activities

Every day your camper will have one water activity. This is typically a pool party, creek splashing, slip 'n slide, or water games with their counselors.

Pony Rides

Pony Rides are offered every day. This is a hand-guided loop on either a pony or a horse by the Sugar Creek wranglers.

Closed-toe shoes and pants are required for horse experiences at Sugar Creek.

Adult Chaperones

Adults are welcome to stay with their campers for \$10/day to help cover the meal. 1 pastor or youth leader may attend free per group.

This Day Camp offers campers a delightful one or three-day introduction to Sugar Creek, filled with games, nature time, swimming, crafts, pony rides, and Bible storytelling that wrap up each afternoon by 3 p.m. This option is perfect for church groups and families to get a taste of what Sugar Creek has to offer.
