

## **Riding Programs** at Bible Camp bring **Real LIFE** to the **Real World**

Your awesome love for horses is meant to be *shared*! Make your joy a blessing to youth and families by empowering **lifelong skills for faith and life** through horseback riding.

**Your passion** in action means campers grow in empathy, responsibility, Christian faith, and confidence. If that's a legacy you would like to be known for, let's talk.

Riding skills equal *life skills* that last. You are changing lives *and our world* forever by sharing your wisdom, donations, gear, and horses to truly impact hundreds of children every year.

## **Our Mission**

"Where all generations encounter Christ, experience God's grace, and are empowered by the Holy Spirit to go forth in faith."

## Help youth ride with *purpose*

Do you remember the day a horse first inspired you? Today the typical "screen-based childhood" means youth are even more inspired by the experience of horseback riding. *Let's go!*

Sugar Creek Bible Camp gives you a way to share this blessing with young people, through outdoor adventures rooted in God's love.

**Would you like a bigger role** as young people begin the *ride of their life*? Let's talk about growing this work, and guiding kids on the right trails.

We hope to hear your story.
