LEAD (Leaders Engaged as Disciples) is your chance to step into leadership, grow in faith, and make unforgettable memories at Sugar Creek. Across four weeks you will learn new skills, build confidence by helping lead a Day Camp, apply what you've learned alongside a counselor in a cabin, and reflect on your journey as a disciple and leader. Along the way you share adventures with friends, dive deeper into God's Word, and discover the unique gifts God has placed in you.

"One of the biggest things I learned was stepping out of my comfort zone. My personality grew tremendously, and I learned to keep pushing myself into the "yellow zone" where growth happens.

This experience also helped me understand that not everyone is in the same place in life. It taught me not to judge others and to recognize the power of small actions. Even if I didn't feel like I made a big impact, the person I helped might have felt something much greater—and that's what matters.

I 100% recommend this program. I loved it so much, I did it twice!"
