- & More!

Night Camp is your chance to experience Sugar Creek under the stars. You stay up late with campfires, games, and night adventures, then spend your days swimming, hiking, and growing in faith. This is your week to lead the night and discover God's light in new ways. Your schedule adapts as the week goes on, letting you stay up later each night until you experience a full all nighter. By the end of the week you ease back into a regular schedule so you are ready to head home with amazing memories and plenty of stories to share.
